STUDENT
COUNCIL

The day before — all is ready and waiting for the freshmen's arrival on Sunday and their first meeting.

Sarah Sorenson receives more attention from her "helpers" than do her many clothes.

Freshman Arrival

... brings 730 new DePauwites

Dean Farber gave one of the many welcoming speeches to the new arrivals.

The classic scene was re-enacted again. The freshmen arrived! Men reported to the booths to fill out their temporary housing during rush as the women moved clothes, record players, books, shoes, hairdryers, bulletin boards, radios, and typewriters into the dorms. Dorm staffers and "O" staffers were waiting to help them get through the day's activities—a welcome by President Kerstetter, "O" group, KTK and Panhel meetings. There was the excitement of meeting the rest of the class of '68—the girls in their floor groups and the guys in "O" meetings. It was a day of anticipation of the new friends, the four years ahead, and especially of the coming week.

The Class of 1968 and their parents gather for the opening day convocation.

Orientation and Testing began a different scheme of life

Orientation Staffers carefully watch the rows upon rows of coeds . . . and freshmen . . . during testing in Bowman Gym.

On Monday morning the freshmen were hit with the disillusioning fact of eight o'clock orientation tests. In the next three days they took language, science, math, English, and history exams to place them in advanced sections in their best subjects. Those scoring high in English entered an Advanced English course, new this year. In addition to this taste of the academic life, the social, religious, and extra-curricular part of the campus was explained to the freshman in their "O" groups. The Owl, the Monon Bell, the UB, the philanthropies of Lucy Rowland and Edward Rector, East College, and Robeann Park became more than just names to them.

So far, college seems one big test to concentrating minds of freshmen.

The purpose of college, the rewards to be gained, the customs and traditions of DePauw occupy the freshmen's minds as they are discussed in Orientation groups.

Conversation is an art well cultivated during the weeks of rush. Nervousness gone, it is enjoyed by all.

The houses display their talents in the skits and parties.

A hand of welcome reaches out to greet the rushee.

After the final lists are read, the houses eagerly await the arrival of the new pledges. Will the long dinner in the dorm ever end?

Rush

... to pledge or not to pledge ...

Concurrent with orientation and testing during that crazy first week at school was rush. Open houses were sandwiched in between tests, dorm meetings, and registration. The rushees then made their selections for the following parties. Fraternities gave bids on Saturday, and those who accepted moved into the house that afternoon to begin their lives as lowly pledges. For the girls it was different—the tension increased through four—and then two-party nights until the preferences were signed and the bid lists turned in. Although some decided to wait until spring rush, about two hundred women appeared on campus wearing ribbons of their sorority's color.

Pledges are welcomed with open arms and fraternity applause.

Registration is not exclusively for freshmen. Ask Ralph Jones who had just returned from the Washington Semester Plan last fall.

Registration

... climaxed that first hectic week

A final inspection and it's all over for this year.

Registration marked the end of orientation and testing. Consulting with their faculty advisors, considering their achievement test scores, and wrestling with the *Schedule of Classes*, the freshmen finally registered. They experienced the same exasperation with the long lines, the same frustrated desire to take the more interesting upperclass courses and the same conflicts—Basic Comp or Freshman English? Geology or Botany? French or German?—that everyone feels registering for the first time. They learned that you cannot register for three 11 o'clock classes, that you don't say to the man sitting behind a booth "the one prof I absolutely do not want is Dr. ——" until you find out *his* identity. The one good thing about registration is that when it's over, there are four months until it's time again.

An undecided freshman, Ken Ringbloom, ponders his final choice of courses.

Registration is hectic for professors as well as students.

A freshman girl finally begins to smile as she realizes that she is approaching the end of registration.

No one is going to get at those \$5 bills so carefully guarded in presentation to the judges.

Along with its traditional events, KTK-AWS Derby Day featured several new twists. The pizza-eating contest was won by Tee Metcalfe setting a new record of approximately three seconds. Alpha Chi-Roberts won the "Most Original Way of Presenting Two Five Dollar Bills" contest with their goose who laid the golden egg. For the first time this year paired contestants were judged in the leg contest. Derby Day also featured the egg toss, the balloon stomp, tug-of-war, and suitcase race, as well as the fashion show composed of "models" from the men's living units dressed as girls. Lambda Chi won for the second year in a row.

Old Gold Day

featured a hard-fought gridiron game

John Swearingen, President of Standard Oil of Indiana, addresses students and alumni.

Homecoming Weekend included many activities as well as the game. An alumni workshop and dinner Friday night preceded the pep rally, torch parade, bonfire, and street dance with music by the Misfits. Old Gold Day Queen, Judy Herbst, was crowned during the half-time ceremonies of the game, which DePauw lost to Ball State by a narrow margin. A UB alumni reception was held following the game. Dedication ceremonies for the new AOPi house and the recently completed Delta Chi addition included addresses by President Kerstetter. The weekend's activities were concluded with the Homecoming dance Saturday evening.

The formal faculty processional in caps and gowns and the ceremonies on East College lawn are traditional parts of Old Gold Day.

Social Events

... broke the regular weekend pattern

To vary the routine of movies, games, and fraternity parties, a number of special events came to campus. George Shearing and the Serendipity Singers began the year's activities. The UB also sponsored Las Vegas Night, free nights at the UB, Friday night movies, and a Christmas party with caroling and a concert. Goldiggers and the Panhel dance were held in the UB. The "Miss DePauw" Pageant chose the coed deemed by the judges to have the poise, beauty, talent, and intelligence to represent the campus. Folk singer Bob Gibson gave the ADS concert in Meharry Hall where the English cast of TW3 later performed their satirical review.

A popular feature of Las Vegas Night was the night-club atmosphere of the "bar" . . .

"Is it possible to become infatuated with a real witch?" puzzles Peter Lash in "Bell, Book and Candle."

Dramatic Productions offered variety to suit every taste

Dramatic productions at DePauw this year catered to a variety of tastes. "Bell, Book and Candle" with freshman Jackie Johnson as Gillian recounted what happens in the lives of a couple of New York witches and their medium Pywacket when one of the witches falls in love with a mortal. "Carnival", the Broadway musical about the circus world, was a joint effort of the speech and music departments. The February production of "Die Fledermaus" given by the music department featured a Friday "evening at the opera" to which the audience wore formal attire. Jean Anouilh's tragedy "Antigone", was presented in the early spring with Claire Childress in the title role. The last production of the year, "Thieves' Carnival," was performed on Mothers' Weekend.

Greencastle's Democratic and Republican headquarters served as information centers for the 1964 Presidential election.

After campus address, Birch Bayh speaks to students.

DePauw students were very much involved in the November presidential election. Harold Stassen announced that he was a candidate for the presidency in a lecture here last spring. When students returned in the fall, they were bombarded with propaganda by the Young Citizens for Johnson and the Young Republicans for Goldwater. The latter's son, Barry Jr., was here for a lecture and reception at the Sigma Chi house. Rallies and lectures on the views of both parties were held throughout the fall. Local politics also concerned students as the Indiana candidate for governor, William Branigin, made a whistlestop in Greencastle. The campaign over, the campus assembled in the UB election night to watch the returns.

November Elections

lecturers, critics, noted persons, . . .

Chapels this year supplemented classroom learning experiences and broadened students' knowledge of fields of specialized interests. Dr. Milton Friedmann of the University of Chicago spoke on the economy of the United States, while Mr. Jenkin Lloyd Jones' lecture was concerned with the effects of the moral decay of America on her citizens. "A concern with unconcern" was the idea behind the Religious Venture Series topic "One Man is No Man." The Mendenhall Lecturer for 1965 was Dr. Peter Bertocci whose series of lectures was entitled "Creativity in Love, Sex, and Marriage."

Dr. Milton Friedmann presented a conservative viewpoint.

John Rousellot discussed the John Birch Society.

Former president of UN General Assembly, Charles Malik, spoke in chapel.

Convocations

... entertainment came to DePauw

Dr. Hixon spoke on DePauw's heritage and Edward Rector.

To vary the lectures given during chapel other types of programs were offered. Christmas was celebrated with a symphony concert and by Orchesis, which interpreted the meaning of Advent through expression in dance. In their first chapel as an independently organized group, the Men of Note sang a collection of their favorite songs. Madrigals gave a concert of Elizabethan tunes on another date. Won Kyung Cho gave a lecture and recital on Korean dance. The highlight of the whole chapel series was the Phi Beta Kappa chapel when the new members were recognized.

"What is happening to American character?" was the topic discussed by Vance Packard, author.

WUS Carnival

balloons and booths covered the lawn

A carnival under the auspices of AWS was held to raise money for the World University Service. Men's and women's living units were paired to run booths. Carnival-goers could choose to swear out a warrant for an arrest, then pay to get out, or they could be married in the mock wedding booth. Those with artistic inclination tried their talents making circular abstract paintings, and those with hostile ones threw pies or wrecked a car. The Sigma Chi movie "Mondo Corne" featured blow-offs on popular culture. A pizza raffle promoted by Nunzio's drew students hoping to revive after the rigors of the WUS carnival.

Honors

were awarded to outstanding students

Mortar Board capping is an exciting time for junior women.

Besides the various departmental, professional, and activities honoraries, scholarship trophies, and Phi Eta Sigma and Alpha Lambda Delta, other honors may come to outstanding juniors and seniors. On the basis of activities and scholarship, AWS honors an outstanding coed each month. Both Mortar Board for women and Gold Key for men select for membership exceptional juniors. Membership in Phi Beta Kappa is based on grade points and is revealed at a spring chapel. Senior class girls elect the Outstanding Senior Woman to be crowned as May Day Queen, while the senior who has contributed most to DePauw receives the Guy Morrison Walker Cup.

Little "500"

Little "500" was one of those weekends when nobody thought about studying. The "Mini 500" and the TGIF party began the activities Friday afternoon. That night the Lettermen sang to a capacity crowd in the Greencastle High School gym. Committees spent Saturday morning and early afternoon creating pit decorations until cinders flew during the thirty-five mile trek in the afternoon race at Blackstock. Phi Psi placed first, followed by Deke, Delta Chi, and Delt. After the race the Pi Phi ice cream social featured music by the "Cockroaches." By vote of all the "500" participants, Deke's John Keeping was named "Best Rider" when the awards were presented at the newly created "500" dance.

Campus Campaigns

led to two controversial elections

The two campaigns which affect the DePauw student most are those for UB President and President of the Student Body. For both elections the general campaign procedure is the same. Candidates visit each living unit at lunch or dinner time to present their platforms and answer questions. At the end of the week students vote in the UB. UB elections in March were climaxed with Las Vegas Night, where winner Jim Thompson was announced president-elect. Senate elections were held just before spring vacation. Rick Roessler was named the new Student Body president.

In one of DePauw's largest turnouts 1,643 students voted.

May Day

highlighted the warm spring weekend

May Day honored outstanding junior and senior women. In Meharry Hall DePauw students and their parents saw Mortar Board tap its surprised new members — junior women with superior scholarship, leadership, and activities. Recognition was also given to exceptional senior women not on Mortar Board. Outside on East College lawn the crowd viewed the Daisy Chain procession. Wearing long white dresses and pastel sashes, two junior women elected by their living units carried garlands of daisies up to the Art Center. President Kerstetter announced that the senior woman voted most outstanding by the others in the class was Kitty Harris. May Day concluded with concerts by the Men of Note, Madrigals, and the Collegians.

Final Days

four years of rough work and good times

Happiness is DePauw and East College lawn to a 1914 alum.

Seniors and alumni were honored together as Alumni Weekend and Commencement climaxed the year's events. The Old Gold Goblet was presented at the Senior-Alumni Dinner to Alvin J. Rockwell, elected Alumnus of the Year by the senior class. They also elected Student Body President, Griff McDonald, winner of the Guy Morrison Walker Cup at the Alumni Day Chapel in Meharry Hall. Following registration on East College lawn, alumni attended class meetings and a dinner for the specially honored classes of 1939 and 1914. After Baccalaureate and Commencement, the seniors, in their new status as alumni, left campus.

R. V. Series

...stimulated religious thought

"One Man is No Man," the Religious Venture Series for 1965, continued from February 24 to March 17. A "concern for the unconcern" people feel about involving themselves in others' affairs led the committee to choose the topic. Their purpose was "to confront students with their responsibility to society, to the group of which they are a part, to themselves, and to God." Lecturers were Dr. George Webber on "Man Alone," Dr. James M. Gustafson on "Individual and Community," Dr. Joseph Haroutunian on "Interpersonal Relationships," and Dr. Samuel H. Miller on "God and Man." The RV Series helped "to communicate a Christian understanding of life in terms significant to students in a modern age."

Dr. George Webber from East Harlem opened the program.

"Interpersonal Relationships" was Dr. Joseph Haroutunian's topic.

"Belle Image," the Miss DePauw Pageant, was sponsored by AWS in order to pick the coed with the best combination of beauty, intelligence, talent, and poise to represent the campus at official functions. Applicants' talent acts were reviewed and twenty semi-finalists selected. These twenty were then narrowed down to ten finalists who participated in the pageant. The top five contestants were asked questions to determine their attitudes about life and poise in social situations. Master-of-ceremonies Norman Knights then announced the runners-up to be Char Tirman and Patty Johnson. Miss DePauw of 1965, Diane Murphy, was crowned by Student Body President Rick Roessler.

He was also elected a Kent Fellow and is a lifetime member of the society for Religion in Higher Education. He served as a chaplain with the rank of captain in the Army Air Force during World War

II in the Pacific, and as Command Chaplain for the Fifth Air Service Area Command in the Philippines. He taught philosophy and religion at Baldwin-Wallace College and Hamline University and served as head of departments. He also taught one summer at Garrett Theological Seminary. After ten years as president of Simpson College, in 1963 he became president of DePauw University. He is the author of numerous articles and book reviews and co-author of a book entitled *Experiment in General Education*. He has been a firsthand observer of educational institutions in western and eastern Europe and continues to be a religiously motivated pioneer in higher education.

President Kerstetter quickly reads the morning mail.

ACTIVITIES

STUDENT
GOVERNMENT

Student Court

Established five years ago, the Student Court functions as the only University disciplinary board. It handles such problems as violations of the car and drinking rules. To Student Court each case warrants an individual decision not based on preceding judgments. Composed of five seniors and four juniors, the Court is elected by the Student Senate. Sessions of the Court may be closed or open if the student wishes it to be.

STUDENT COURT—*Front Row:* Nancy Pedersen, Nancy Mueller. *Second Row:* Bruce Bickner, Ralph T. Jones, John Clodfelter. *Back Row:* Larry Morrison, Steve Shattuck.

Student Senate

To acquaint the faculty with student opinion is the basic goal of Student Senate. A concern with educational and curriculum reform is one of Senate's responsibilities. This year Senate has the function of transmitting the new curriculum change to the students. A week featuring lectures and discussions focusing on a particular area of the world is promoted by Senate. With the UB Board Senate sponsored the Serendipity Singers and George Shearing in a concert underwritten by the Ford Motor Company.

SENIOR SENATE—*Front Row:* Mary Mackelmann, Beth Watson, Ann Hussong, Pinkie Latham, Chris Patterson, Barbara Byler. *Second Row:* Larry Morrison, Fred Hoelscher, Bruce Bickner, Dave Prosser, John Clodfelter, Vin Hoey. *Back Row:* Richard Pither, John Barnett, Bob Stross, Joe Danks, John Zachman, Alex Rogers, Lynn Henry.

FIC

Freshman Interfraternity Council was formed to establish and maintain friendly relations among freshmen men in different living units. The fall pot-burning ceremony begins FIC's yearly activities which include a Heart Fund Drive and their annual spring dance at which the FIC queen, elected by all freshmen men, reigns. Each fraternity and Longdon Hall is represented in the council.

Kappa Tau Kappa

Founded as the Order of the Black Eagles, Kappa Tau Kappa has retained its original insignia while changing its function to that of governing interfraternity affairs. KTK is also in charge of coordinating men's rush. The pizza-eating contest, the egg-throw, the legs contests, and the Guys-Dress-Up-As-Girls Contest were the highlights of Derby Day, sponsored by KTK and AWS. In addition, KTK brought Jerry Lee Lewis to DePauw for a sock hop in the gym.

AWS Senate

The personnel chairman of each women's living unit comprise AWS Senate, a governing body of DePauw women students. Concerned with the interpretation and application of rules, AWS Senate discusses the feeling of women students toward rule changes. Subject to constant re-evaluation are the regulations about hours, overnight guests, men's calling hours, and late hours. In short, AWS Senate is interested in everything relating to women students.

Panhellenic Council

Because its main function is to coordinate rush, Panhellenic Council has revised the rush system to correspond with the new curriculum. This year Panhel and KTK planned Greek week in order to maintain good relations between houses. To honor senior Panhel members for their two years' work and to raise money for their scholarships, Junior Panhel presented their annual dance, "Garden of the Gods." A Panhellenic Workshop composed of representatives from Indiana universities met at DePauw in December to exchange ideas.

WRA Board

To provide recreation for women and promote interest in the extra- and intra-mural athletic program are the goals of WRA Board. New this year is Open Coed Gym in addition to Women's Open Gym which was begun a few years ago. WRA Board is under the supervision of the Women's Physical Education Department.

IM Board

Almost every kind of athletic activity can win a trophy for a student's living unit. Not only do Intra-mural sports at DePanw include football, basketball, and baseball, they also encompass tennis, swimming, badminton, ping-pong, wrestling, cross-country, and track. IM Board is in charge of these activities. At their weekly meetings reps from each men's living unit coordinate its current tournaments. They set up the National and American leagues and schedule games within the leagues.

MIRAGE STAFF—*Front Row:* De Lutton, Lynn Bresnahan, Steve Uible, Les Vanlandingham. *Second Row:* Linda Heisel, Bob Hisrich, Sue Wright. *Back Row:* JoAnn Fujioka, Sue Stocker.

ASSISTANT COPY EDITORS—Karen Berrettoni and Sue Battenburg.

In 1884, Indiana Asbury (now DePauw University) produced its first yearbook, *The Mirror*. In 1908 the label was changed to *The Sombrero* and the following year the present name, *The Mirage*, was settled upon. The DePauw University Archives has a near complete file of DePauw's annuals open for student, faculty, or any interested persons' inspection.

The 1965 Mirage attempted to create an atmosphere of learning for students interested in photography, layout, design and many other related yearbook fields, by foregoing as much professional help as possible in trying to operate as autonomously as possible.

ENGRAVING EDITOR—Sue Wright.
ASSOCIATE EDITOR—Lynn Bresnahan

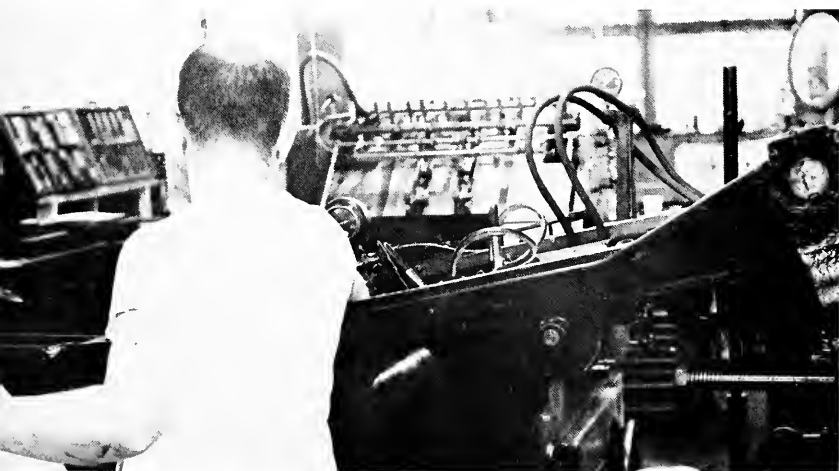

ADVERTISING STAFF—John Wright, Rick Faner, Robert Alden, Barrie Peterson (Head), John Gibson, Mark Bills.

The presses are ready to roll off another issue of *The DePauw*.

THE DEPAUW

The DePauw continued to present an accurate perspective of the DePauw campus through its editorials and articles about current issues affecting the students. Entirely responsible for what they publish, the staff is also student-organized. The usual procedure for a student who is interested in working on *The DePauw* is to go to the Publications Building to learn the general organization of the paper and about each of the different sections, such as advertizing, copy, circulation, and production. He may then decide on which section he wishes to concentrate. The paid editorial jobs are appointed by the Publications Board and are usually for one semester.

First semester editor Ginny Kerns finds the atmosphere of her office anything but serene as she prepares for future editions of *The DePauw*.

The set type is checked carefully before the final press run.

BUSINESS STAFF—Don Meyers, Dave Callies (Head), Terry Wren, Lee McDermond.

WGRE

DePauw's student-operated FM radio station, WGRE, serves the students and townspeople in a forty mile radius around the Greencastle area. Students who are interested in working on the staff enter a Radio Workshop to learn the fundamental techniques and procedures of radio work. As time slots are available, these apprentices have an opportunity to plan their own programs. WGRE broadcasts three types of shows: educational, including readings and discussions of the French language; music hours; and news and sports broadcasts of all DePauw home football and basketball contests. Last fall local and national elections were covered by the AP Wire-service and WGRE's own crews.

The men behind the scenes prepare the control board for WGRE's next broadcast.

The annual spring Theta Sigma Phi Matrix Table selects a woman on the DePauw faculty as Outstanding Woman of the Year. Last year this honor was awarded to Miss Welch.

Organized to promote interest and skill in advertising, ADS sends delegates to national advertising conventions, sponsors speakers, and takes care of publicity for special events. Money from the Annual Jazz Concert and the freshman ADS Handbook goes to scholarships for students in any field.

During Orientation Week they hold meetings with their "O" group and work closely with KTK in remaining strictly neutral during rush.

Dorm Staff

Orienting the freshmen girls to the attitudes, rules, academic and social life of DePauw is the job of the twenty some Dorm Staffers. Throughout the spring they attend meetings with former dorm staff advisors and the residence counselors to prepare them for the coming of the freshmen in the fall. Each dorm staff girl helped her twenty-five freshmen to maintain at least a semblance of calmness in the hectic confusion of orientation week.

UB Senior Board

UB SENIOR BOARD—Dave Callies, William Hauber, Tom Porter, Carol Brown, Mike Street, Jim Martin.

The UB Board is directly responsible for much of DePauw's social life. The five committees—Personnel, Publicity, Special Events, Arts and Services, and Recreation—organize and execute our concerts, dances, and parties. TGIF parties on the Terrace, the annual Las Vegas night, the Fun Night with low-cost bowling and billiards and free cokes and coffee, and the Innovatoin Dance sponsored by Junior UB Board are the work of Special Events and Recreation. Arts and Services was in charge of the Last Lecture Series and responsible for the Kappa Pi

art shows and the Profession Sessions. Outside the regular machinery of government, the Little "500" Steering Committee planned the whole "500" weekend.

In November the UB sponsored an Election Night Rally as students congregated in front of the televisions to watch the returns until two in the morning. This is the year of another first; the UB is sponsoring a plane to Europe. Behind all these events are the Union Building Boards, enjoying one event while mentally planning another.

CLUBS

SEA

The Student Education Association has several purposes. It encourages interest in both elementary and secondary teaching, encourages future teachers to develop a sense of their profession, and helps student teachers to better understand the teacher's relationship with the professional education associations. SEA furnishes its members with professional bulletins and magazines. At their weekly Wednesday meetings members hear speakers, see movies, and discuss how to be well prepared when they finally begin to teach.

CHEMISTRY CLUB—*Front Row:* David Krausbuchl, Brian Wicke. *Back Row:* John McCormick, David Rice.

Chemistry Club

The Chemistry Club is composed of students who intend to pursue a career in some field of chemistry. The club tries to promote a program which will interest the student further in chemistry as a science as well as a career. Monthly the organization has a visiting professor come to DePauw and lecture on his particular phase of research. Slides and other visual aides are utilized in these lectures as well as an informative discussion afterwards. All members are student affiliates of the American Chemical Society.

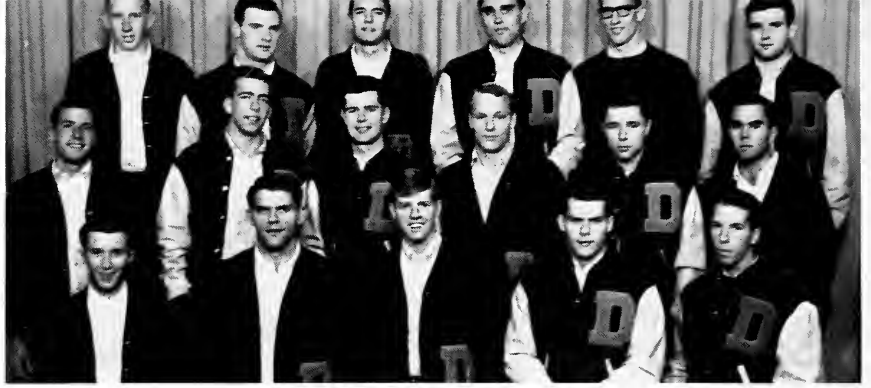

Debate Team

To be appointed for a position on the Debate Team, a student has to prepare and deliver a debate. Headed by Dr. Robert Weiss of the Speech Department the group participates in the Intercollegiate Debate Tournament held at DePauw in February. He may then qualify for membership in Delta Sigma Rho if he so desires. The Debate Team prepares debates on such topics as current issues at DePauw—the curriculum change, discrimination in living units—and worldwide events—the fall election and problems in Viet Nam.

By operating concession stands at football and basketball games, the "D" Association is able to raise money to donate to some worthwhile cause. This year the organization plans either to finance a young Korean's education or send athletic equipment to Puerto Rico.

Sigma Tau Mu

Sigma Tau Mu is an organization whose membership is open to all of the students enrolled in the College of Nursing at DePauw. Its purpose is to allow nursing students to become better acquainted with the nursing profession in general as well as with each other before they take up residence together in Indianapolis. The club sponsors frequent field trips to Methodist Hospital, as well as discussions and lectures on the numerous phases of nursing.

The Young Republican Club provides an outlet for students who want to participate in politics. Dedicated to good government under the Republican Party, club members sponsor speakers and work actively to promote the party's principles and candidates. Due to the National elections, 1964 was an especially outstanding year for this organization. They sponsored debates to bring major political questions to the attention of students and campaigned for their candidates for both the national election and the mock election on campus.

Young Citizens for Johnson

The DePauw chapter of Young Citizens for Johnson was part of a highly organized national movement on college campuses to back President Johnson. Conceived by Senator Birch Bayh, the organization was working smoothly by the time school started in the fall. Representatives from each living unit distributed literature and posters to Johnson fans on campus. Because of their overwhelming success in the November election, Young Citizens for Johnson promises to be as equally active four years from now.

International Relations

The International Relations Club was formed for the purpose of aiding DePauw students in understanding the issues which involve America's relations with foreign countries. Speakers from the embassies of India and Arabia, as well as U.S. State Department films on the United Nations, and debates on American foreign policy offered students an insight into these situations. A reading group on the problems of the newly independent nations was also begun.

Conservative Club

The members of the Conservative Club strive to attain a better understanding of the conservative political view on campus. Taking an active part in last fall's Presidential election, the club brought many influential speakers and films to campus, and distributed literature and periodicals among DePauw's students.

Home Economics Club

Home Economics Club sponsored two delegates to the American Home Economics Convention in Detroit this past summer. From their observations came the idea for the groups activities: programs on opportunities in the field of Home Ec. and how to take advantage of them. The club gave an open house for its advisor, Miss Beatty, in November.

Orchesis

Orchesis was formed for the advancement of creative expression in dance at DePauw. At the fall and spring tryouts members are selected for their ability to perform techniques. At the weekly rehearsals girls do a series of warmups and improvisations, and create their own choreography. "A Service of Worship in Dance" was given for a Christmas chapel. In place of a spring concert the group performed in the opera *Die Fledermaus*.

Naiad

Women skilled in synchronized swimming may apply for Naiad, whose members are selected at fall tryouts. During the year girls work on individual skills and original numbers as well as synchronized swimming. For the spring show on Mother's Day Weekend Naiad members may write special numbers. The Naiad Board, consisting of the president, secretary, one rep from each of the freshman, sophomore, and junior classes, and the sponsor, Miss Miller, organizes the show.

Westminster Fellowship

Methodist Student Foundation gives students an opportunity to get together to frankly express their religious feelings. Student-led discussions, films, and lectures explore many campus social and religious problems, in particular the MSF project for the second semester. In addition, professors are invited to give their own opinions and MSF members relate them to Christianity. DePauw students in MSF also attended national and regional conferences.

MSF

DePauw's only non-denominational Christian youth group, Westminster Fellowship, is open to everyone on campus. Its program centers around weekly Bible study sessions in Longden, the Quad, and the library, which are supplemented by Sunday evening meetings. Seminars, discussions, weekend study projects of metropolitan or rural churches and two retreats each semester are aimed at applying the teachings of Christ to a student's life.

Christian Science Organization

The Christian Science Organization holds regular weekly meetings for the students and faculty at DePauw. These meetings give students of Christian Science an opportunity to read and comment on the teachings of their religion. Each year The Christian Science Organization sponsors a lecture for the purpose of better acquainting the campus and community with the doctrines of Christian Science.

The band performs chiefly for the ROTC reviews held on Mom's and Dad's Day Weekends at Blackstock. Band members are distinguished from the rest of the Corps by their gold arm bands.

Angel Flight, women's honorary AFROTC, includes coeds nominated by their respective living units and selected by the ROTC men. Distinctive in their white blazers with blue wings, the girls inform incoming freshmen about AFROTC during Orientation Week and usher for Little Theatre programs. They also sold donuts at the football games to raise money for a scholarship given to an ROTC cadet.

MUSIC

Marching Band

The DePauw Marching Band kicked off their year at Blackstock Stadium, spurring on the Tigers with half-time entertainment. During the football season, they also found time to present a Pops Concert on Dads' Day and two formal concerts, as well. The Spring series in the freshman quad and Commencement Exercises brought to a close another successful season for the band.

American Guild of Organists

The American Guild of Organists is an organization designed to bring together those who play the organ and others who are interested in organ and church music. This organization strives to further knowledge of the organ itself and at the same time to raise the level of performance in the church and in concert. It does this by sponsoring organ recitals, lectures, and conferences and through the publication of its monthly magazine, *The Diapason*.

Its stated purpose is "to advance the cause of music in America."

Mu Phi Epsilon

Mu Phi Epsilon is a national music honorary which offers membership to women who have achieved a superior scholastic average in the School of Music as well as displaying a high degree of talent. Madrigals

The madrigal, a form of music sung in the fifteenth, sixteenth, and seventeenth centuries, is being revived on the DePauw campus by a group called the Madrigals. Its even members performed at Dad and Mom's Day concerts in the Art Center, President Kerstetter's open house, the UB Christmas Party, a chapel, and for various clubs in surrounding towns. The group, in costume, sings seated around a banquet table.

Men of Note

Seven fraternities and both dorms are represented in the Men of Note. Its sixteen members sing at Dad and Mom's Day concerts, as well as for performances at French Lick, Plainfield, and Culver. In conjunction with the Wabash Glee Club, the Men of Note gave a concert in November for the John F. Kennedy Memorial Library. For the Indianapolis Symphonetta Christmas Festival the group performed songs from its repertoire as well as traditional carols.

University Orchestra

The University Orchestra is composed primarily of music majors who have shown enough skill to successfully compete with other players in order to gain a position in the group, in addition to some high school students to fill in the extra positions. The orchestra practices three times a week for its performances, which include providing music for such SDX shows as *Carnival* and the opera *Die Fledermaus*. At its annual Christmas chapel, the group accompanied Mr. James Fitzpatrick in his solo from *Carmen* including various other selections. The orchestra also gives other concerts at intervals throughout the year.

For the annual Christmas chapel the choir sang Bach's Cantata #16, Nun komm der heiden Heiland, ending with the "Magnificat" by Flor Peeters. Its first formal University concert was performed in February.

Chapel Choir

Music for Wednesday Worship Chapel in Gobin is provided by the maroon-robed Chapel Choir. Obtaining its members by audition, the group practices weekly in preparation for its Christmas and Spring Concerts. This year in conjunction with the Choral Union the Chapel Choir presented a special Advent program featuring a Mozart Mass. The group also performed for a Wednesday Christmas chapel some of Bach's works, ending with the "Magnificat."

The group has entertained visiting diplomats, appeared on television shows, and made tours to Armed Service bases such as the 15,000 mile route in the Far East during the spring of 1963. The Collegians is a student group only, entirely directed and managed by its members, and holds auditions annually. They plan a trip to the Armed Service bases in Europe during the summer of 1966.

SPORTS

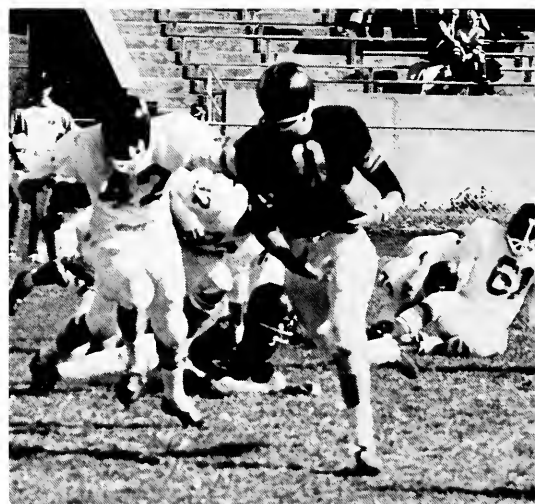

DePauw's defensive team closes in on opponent's attempted gain.

Football 1964

The Tigers' 2-7 season record, their first losing season in four years, does not show the constant threat they were to contending teams in the conference. Thrilling contests were fought with Ball State on Old Gold Day and Valparaiso on Dad's Day with the stubborn Tigers being defeated in the fourth quarter of play. Coach Tommy Mont still managed to retain the Monon Bell for the 11th straight year by going for a two-point conversion in the last part of the game against the Wabash cavemen. Bill Alcott, co-captain of the team, proved to be a rugged fullback as his many timely gains placed him on the ICC second team and 3rd in ICC rushing. Speedster Chuck Byrum teaming up with Bruce Mackey in his 2nd year as the Tiger ace quarterback made the offensive unit always a potential scoring threat. Linemen, Stu Young, ICC 2nd team, and Ed Gardner, ICC honorable mention, opened up the necessary holes for the game. John Thomas and Bill Alcott were awarded the most valuable lineman and back respectively.

Spectacular running by Mackey sparked the Tiger offense.

Basketball 1964-65

Cheerleaders Sanderson, Phetzing, Dyer, Knickerbocker, and Belknap keyed the increasing athletic enthusiasm.

The DePauw Tigers started strong this year with wins over Earlham, Wabash and Dennison, while dropping to Wheaton and Illinois Wesleyan before taking their eastern tour during the Christmas holidays. Although the battling five dropped games to Army, Colgate, and Gammon, they came back to defeat Butler on Butler's home court for the first time in 23 years by a 25 foot last second jump shot by Jack Hogan. The Tigers then marched on to defeat Valparaiso and Indiana State, dropping to the fabulous Evansville Aces in between. For the first time in years, cheering crowds resounded Bowman Gym as enthusiastic students gathered to support their team. However, soon the previous losing teams avenged their losses to put D.P.U. in the losing column. The strong point of the team this year was a pressing, scrambling defense. Despite the poor record, a strong nucleus was molded for next year's team as co-captains Dean Rush and Skip Collins are the only seniors on the team.

The tiny trio of Jack Hogan, Dan Schirmer, and Denny Barrett added much excitement and spectacular ball handling to the guard positions this year. Continually harassing the opponents, the trio saw many a coach look on in dismay as stolen balls, wild passes and various other turnovers gave DePauw an advantage. Hogan's sharp ball handling also set up many an easy layups for the Tiger squad. Morgan Everson, a hustling never quit ball player, was a constant scoring threat with his soft shooting touch and quick driving maneuverability. His efforts combined with the shooting eye of forward Stan Bahler and rugged Dean Rush proved to be an effective combination. Center Dick Putt proved to be strong bench strength during many of the contests, especially when Rush suffered a concussion in the Indiana State game. Putt in this hard fought contest scored twenty as Indiana State defeated DePauw 101 to 80. The Tigers usually featured a well balanced scoring attack with Bahler and Everson pacing the team.

Swimming 1964-65

Coach Charlie Erdmann's swimmers, led by co-captains Tom McClain and Alex Rogers, could only manage to post a mediocre record. Great individual efforts were displayed by Bob Wells, who set another 200 yard backstroke record of 2:19.5, and sophomore teammate Greg Mutz, who set record times of 2:29.5 for the 200 yard breast stroke, 5:41.8 in the 500 yard freestyle event, and 1:41.4 in the 160 yard individual medley. The medley relay team consisting of Dick Pither, Ron Pierce, Scott Johnson and Doug Waples, closed within a half second of the 4:07.0 record for that event and all four will be returning for next year's season. Divers Tom McClain and John Lusk rounded out the swimming team roster.

The DePauw cindermen had an improved season as Coach Bob Harvey fired his crew up to capture respectable second place finishes behind Indiana State in both the I.C.C. and Little State meets. The team finished sixth at the Big State Meet and first at the five team invitational meet. Bounding Dave Spidel boosted the high jump mark to 6'4" which was matched by freshman Mike Martin. Also in the field events' record book, the pole vault bar was raised to 13' 3½" and cleared by Ken Corey. Terry Johnston heaved the shot 48' 10½". Exploding out of the blocks for a new track record, Paul Hammer swept down the 220 yard dash in 0:21.2, and Bob Hutto was recorded at 0:14.8 for the 120 yard high hurdles and in the 330 yard intermediate he was clocked at 0:39.1.

Meet at Valparaiso behind champion Ball State and runner-up Indiana State. They also garnered a second place at the Wabash Invitational Meet where Senior Captain Sky Huck was named most valuable wrestler. At 123 pounds this year it was Roger Davies, followed by John Ferguson at the 130 pound weight. Next was Mike Maeder in the 138 pound class, Tom Newman worked at the 147 spot and closing out four years of DePauw wrestling, Captain Sky Huck held down the 157 pound division. Frequent changes between the 167 and 177 pound class provided good competition for Steve Nice, Fred Wendelboe and Pete McIntosh. Weighing in at the heavyweight position was Ralph Larson.

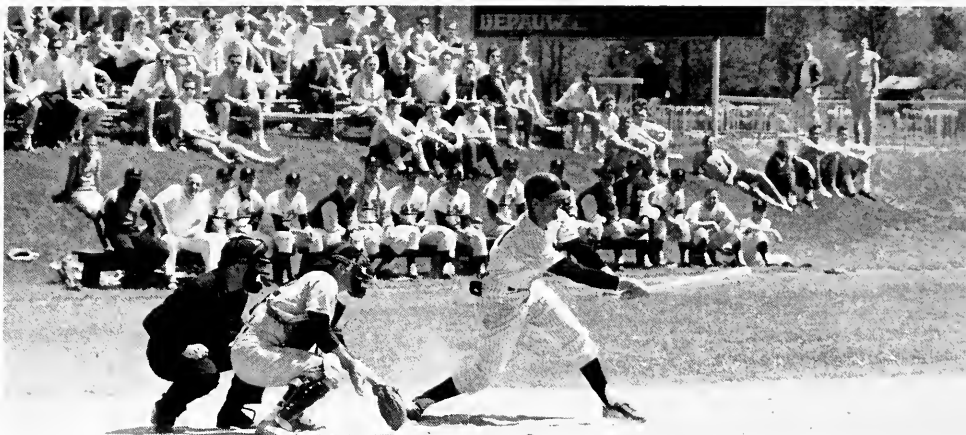

Muscles straining, wrestlers struggle in a deadly grip.

INTRAMURAL
SPORTS

Delt's Bert Wilhoit looks on as opponent misses a free ball during the hot action on the IM grid.

Tremendous team effort leads to exciting IM battles.

I.M. Football

With rush completed and the frosh settled happily in their respective living units, students focused their attention once again to books, varsity contests, and IM football. The sorely needed improvements on the fields were greatly appreciated by the many hard-hitting bodies which landed in the vicious battles. Once again the numerous spectators were awed and dazzled by the short, snappy passes and bone-crushing blocking, with improvement in the quality and severity of the referees making the rugged contact even more spectacular this season.

After defeating Delt in the previous years bid for the football championship, Sigma Nu had their work cut out for them in trying to retain the much sought title. The weight of this burden fell on the shoulders of ace quarterback Tee Metcalfe. From the start of the season, predictions were numerous with the Snakes, Phi Delt, Phi Gams, and Delt usually getting the nod.

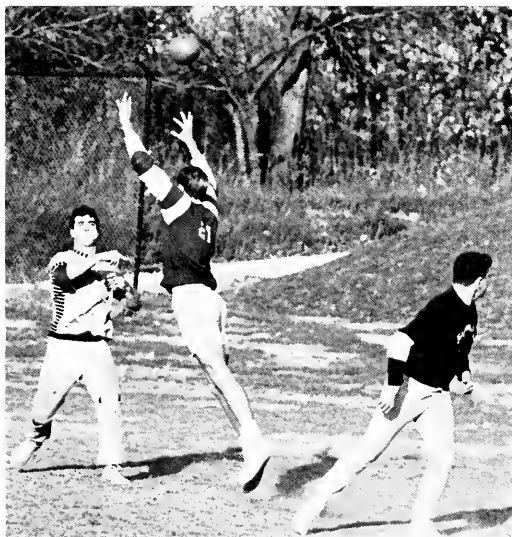

Snakes run through ΣX on way to championship season.

Predictions falling and pigskins flying, the battles of wit and brawn started. Sigma Nu looked good from the start with Tee Metcalfe connecting again and again to leading receivers Denny Siebert and Ren Werrenrath, while the Delts, unable to find an accurate quarterback, failed to make the eliminations.

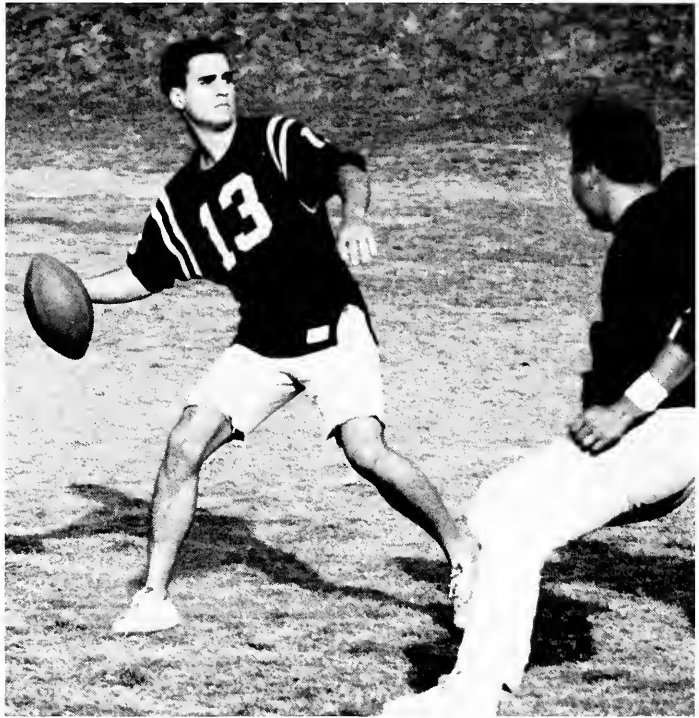

Two of the other leading quarterbacks were Bill Bennett and Joe Johnson. However, towards the close of the season Phi Delt Steve Willet took over the key slot for the injured Bennett. In the final round of competition the favored snakes defeated the Phi Psi nine, while Phi Gam dropped to the Phi Delts. Then Tee Metcalfe and company defeating the injury ridden Phi Delts, retained the coveted football championship.

Tee Metcalfe's exquisite passing was the key to the ΣN 's.

Spectacular catches led Sigma Nu to victory over $\Phi \Delta \Theta$.

Betas' quarterback Don Jones prepares to let loose of the "long bomb".

A ΔX end eludes futile attempts of a close pursurer.

Driving hard for two, SAE's draw a foul instead of the basket.

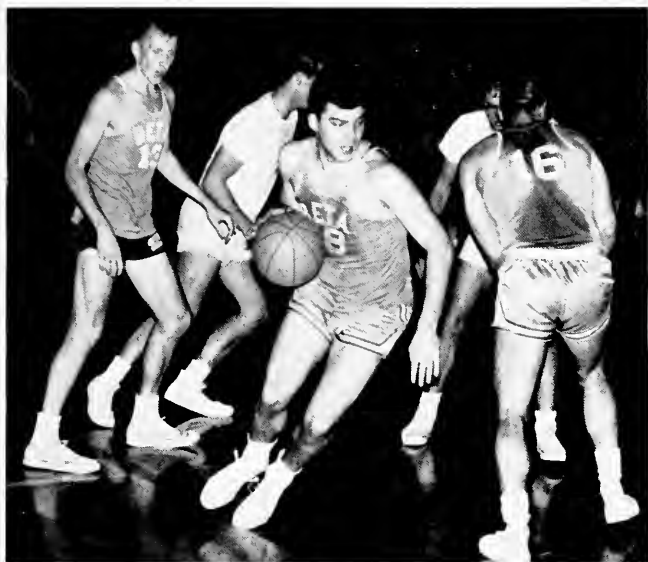

I.M. Basketball

I.M. basketball was an upset this year as the predicted winners the Phi Psi five featuring the scoring ability of John Huneke, Don Lewis, Oley Thomas and Tex Bachert was upset by Sigma Nu. The key to their successful season seemed to reside in the ability of at least two members of the Big Green to have a hot night from the field. Although Phi Psi beat Beta 63-49 in a close game that was undecided until the last minutes, Tom Cooper paced the Beta five to a good season position. Key individuals were the result of the various teams successes as Steve Hadley, Rich Gaines, Bruce Trego, Denny Siebert and Todd Eberle usually paced Phi Delt, Lambda Chi, D.U., Sigma Nu and Sigma Chi respectively.

Shedding their coats and ties for shorts and gym shoes, the faculty team proved a worthy opponent to the student teams. Although at times the contests seem to be more a battle of brawn rather than speed and shooting ability, the various teams presented action packed competition for the interested spectators.

An unusual contortion was common.

Beta George Gilbert spots an opening and drives around his opponent for lay up.

Avoiding the block, Callen guns for two.

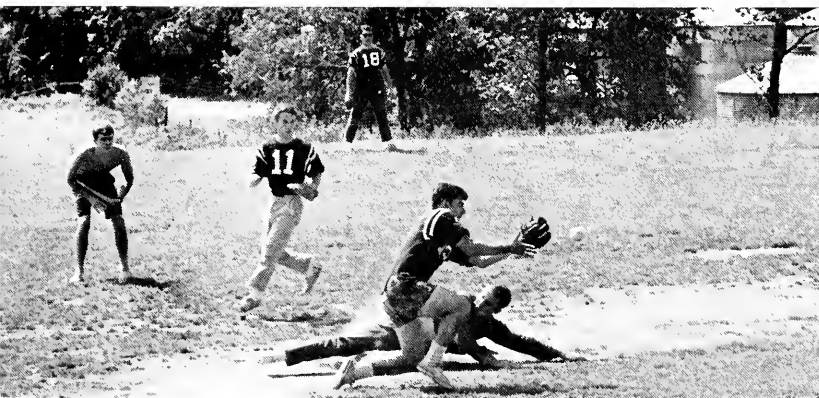

Balancing precariously, the ball finally drops in.

A hefty cut, but too early, ripples excitement through the spectators.

Betas miss a close one in some fast action of an IM softball contest.

Miscellaneous I.M.'s

From the sound of whizzing pigskins in the fall to the crack of the gun in the spring, I.M.'s at De-Pauw present stiff competition from high school lettermen who have decided that varsity athletics demand too much time.

Add the faculty team in some sports and the contests become an impressive display of skill and endurance. The highly competitive intramural system offers opportunities to play in organized athletics ranging from the major sports of football, basketball, and softball to the minor ones of golf, swimming, bowling, wrestling, ping pong, badminton, tennis and track. With the program governed by a board consisting of one representative from each living unit and headed by Chairman George Gilbert, I.M.'s this year saw an improvement in the officiating and sportsmanship in the various contests. However, I.M.'s still look to the coaches and officers of each living unit for encouragement toward better sportsmanship.

Thrusting forward a flying trackman tries in vain.

WOMEN'S
SPORTS

Volleyball

Coeds portray a different image in taking second place in a tournament at Bowman.

Up for the spike, girls display the form that placed them 2nd out of 13 teams in the Purdue contest.

Sticks ready, the girls await the rugged action.

To the amazement of more numerous spectators, field hockey is no sport for the weak, as rough play frequently occurs.

Field Hockey

Although there is a lot of good natured joking poked at DePauw's women athletics, this is quickly hushed when one watches the various contests in which women participate. The sports range from the swinging fury of wooden sticks to the swinging form of an iron club. This season the field hockey team played four games; losing one to Indiana University, tying one with Purdue and another with I.U., while defeating Indiana State 1-0. Then the volleyball team took over and displayed its tremendous teamwork by placing second out of six teams here at DePauw and second out of thirteen teams in the Purdue tournament. Also this year basketball games were more numerous as contests were set up against Indiana State, Valparaiso, and Butler, with a four way basketball sports day held at Purdue. To round out the sports picture the DPU girls' golf team play in the Midwest Women's Collegiate Tournament held this year at the University of Minnesota.

The Powder Puff provided rugged play for the spectators.

Production Notes

The 1965 *Mirage* was printed by letterpress in 16 page signatures, 8 page forms, trimmed to 9 by 12 on Mead's "Black and White" No. 1 80 pound enamel by the Benton Review Publishing Company of Fowler, Indiana. The covers, manufactured by the S. K. Smith Company of Chicago, are hard cased using 160 point binders board. The base material is Natural Black Grain Leather. The DePauw University Seal which appears on the face of the cover is made of actual metal. This inlaid seal has been rubbed with oil to create the old gold effect. The binding style is "sewed, rounded and backed." The engravings are 133 line on copper produced by the Ropkey Engraving Company of Indianapolis. The album head copy was set in 18 Pt. Times Roman while the opening head copy was set in 18 Pt. Times Roman Italic. 24 Pt. Times Roman Italic was used on the division pages. Other copy specifications were as follows: opening body copy, 14 Pt. Baskerville Italic on 26 Pt. slugs; regular body copy, 11 Pt. Baskerville on 12 Pt. slugs; identification and caption copy, the indices, and the senior and academic sections, 9 Pt. Baskerville on 9 Pt. slugs. Ralph Taylor Studios of Greencastle provided the senior pictures and most of the group pictures. All other photographic work was done by the *Mirage* photography staff with processing being done at the Publications Building's darkroom. Available light was utilized whenever possible. Pictures were taken with 4 by 5 Graphics, two Nikon F's, a Pentax H 3, a Yashica-D, a Yashica J 3, and a Ricoh 2.4 wide. 4 by 5 Royal Pan, Plux X Pan 35mm and Tri X Pan 35mm films were developed in Acufine, Ansco Hyfinol, Ansco Ardol, and Kodak DK-50. Prints were made on Medalist and Kodabromide. 1700 copies of *The 1965 Mirage* were printed.

The Last Word

In college yearbook production it is considered editorially appropriate to continue a general outline over the years. This general outline does not refer to art work, color, etc., but rather to overall organization, layout, and copy. In the opinion of the editorial staff of *The 1965 Mirage* this policy has been lacking in previous years. *The 1964 Mirage* under the leadership of Joseph Schumacher Jr. is indeed an excellent starting point for this trend. Therefore, *The 1965 Mirage*, in hopes of being the second link in this continuing trend, has followed the established outline of its immediate predecessor.

In closing, it is hoped that the increased academic and social pressures of university life will not obliterate such worthwhile challenges as the *Mirage*.

William S. Cichowicz, '65
Editor 1965 *Mirage*
